## Woodruff-Sawyer Reaches 90-Year Anniversary

San Francisco, California – June 3, 2008 -- Woodruff-Sawyer & Co. announced today that it has reached its 90<sup>th</sup> anniversary as a company delivering innovative insurance, employee benefits and risk management solutions to the business community, both nationally and abroad. The firm was established in 1918 in San Francisco. Today, Woodruff-Sawyer is one of the largest independent insurance brokerage firms in the nation, with additional offices throughout California and in Oregon. The firm has approximately 300 employees, with dedicated experts in directors & officers/management liability, employee benefits, and property & casualty.

"We have sustained as a company by focusing on our core values, which serve as our moral compass, and through our ability to solve problems innovatively and systematically," commented Douglas Morton, Chairman of the Board at Woodruff-Sawyer. "When you deliver better solutions, people notice. It is appropriate to pause to celebrate our history and our accomplishments."

"I'm very proud to be part of an organization with such deep roots and success," said Charlie Rosson, CEO at the company. "We view this as a great milestone, one that inspires us to continue building strong client relationships for many more years to come. This is just the beginning."
