Woodruff-Sawyer becomes exclusive Northern California partner for California Bankers Association

San Francisco, California – August 23, 2007 – Woodruff-Sawyer & Co. announced today a new partnership with California Bankers Association (CBA), one of the largest state banking trade associations in the country. Woodruff-Sawyer will be CBA's exclusive broker to represent their employee benefits programs to Northern California banks.

This strategic partnership will leverage CBA's negotiated rates, which member banks would not receive on their own, and Woodruff-Sawyer's expertise in benefits consulting and program development. CBA's membership includes more than 300 of California's commercial, industrial and community banks and savings associations.

"Both CBA and Woodruff-Sawyer are well-established organizations in California providing innovative solutions for clients," says Julie Daly, Vice President, Employee Benefits at Woodruff-Sawyer. "We know this partnership will offer enhanced and cost-effective services for the banking community."
