Towers Perrin Names Woodruff-Sawyer #1 D&O Broker in the Nation

San Francisco, California – September 28, 2009 – Woodruff-Sawyer & Co. announced today that it has been named the #1 D&O Broker in the nation by the 2008 Towers Perrin Directors & Officers Liability Survey. Woodruff-Sawyer has been ranked the #1 broker for 6 out of the past 10 years.

The Towers Perrin Survey presents market share for retail brokers and agencies based on the number of accounts for which they are the primary broker. Woodruff-Sawyer has ranked at the top of the survey in several sectors over the past 10 years, and maintained the #1 overall spot this year in both policy count and percent of policies written.

“I’m very excited to have our firm ranked #1 once again. It’s been a challenging market yet we’ve been able to deliver options and solutions. I know our clients appreciate this,” said Charlie Rosson, CEO and Practice Leader of Woodruff-Sawyer’s Corporate & Executive Protection Group. “Our systematic approach in program development and marketing has proven key in our ability to deliver positive results that continues to differentiate us as a brokerage and consulting firm. I am very proud of our organization and its reputation.”

Woodruff-Sawyer’s D&O expertise is recognized nationally and internationally. The firm has grown dramatically in the Southern California market over the past two years, and continues to expand its team throughout the nation.
